Bill,

To follow up on your request to touch base with Carter on how we will provide Sen. McCain's office an update, I checked in with ERO. It looks like Carter is out on sick leave and we aren't sure how soon he will be back. If this is time sensitive, it may be best if you try to work with Jason Brush (WTR) to put together the one-pager, as his office is very looped into this. Please let me know if this is not an option for some reason.

Thanks,
